

WRAS Approved Bubbler Tap

Product Code: RUB-BUBBLER

WRAS Approved Bubbler Tap

Product Code RUB-BUBBLER

WRAS Approved for compliance with water by-laws chrome plated brass drinking fountain tap, with push button valve which switches off after use to preserve water. Ideal as a replacement for existing bubblers or drinking fountain taps.

To ensure the proper functioning and longevity of this unit, a Y-strainer must be installed as part of the water supply system. The Y-strainer is essential for protecting the internal components and maintaining the correct flow characteristics of the tap. Failure to install a Y-strainer will result in the warranty being void.
