Replacement Drinking Fountain Tap Cartridge

Product Code: DFCAR1

Replacement drinking fountain bubbler tap cartridge to suit the old style NSF bubblers we used to sell. Manufactured to tight tolerances and factory tested to ensure high standards to guarantee fault free operation. Easy flow rate adjustment is achieved via the slotted adjuster in the top of the cartridge plunger. The bubbler tap cartridge is used in many drinking water fountains as well as our own, so will fit many models from Acorn Powell, Elkay, Maestro and Halsey Taylor.
