Stainless Steel Lever Bubbler

Product Code: SS-BUB

Stainless Steel Lever Bubbler

SS-BUB

Stainless steel lever operated bubbler tap for drinking fountains. The stainless steel construction ensures the bubbler is hygienic whilst the lever operation ensures the bubbler is easy to operated by smaller children.

Specification:

WRAS approved.
Stainless steel.
Lever operation that operates in all directions to dispense drinking water.
1/2" BSP tail.
1/2" back nut and rubber washer.
Adjustable flow control.
To ensure the proper functioning and longevity of this unit, a Y-strainer must be installed as part of the water supply system. The Y-strainer is essential for protecting the internal components and maintaining the correct flow characteristics of the tap. Failure to install a Y-strainer will result in the warranty being void.

Delivery

From stock typically one to two working days.
