

Floor Standing Chilled Drinking Fountain

Product Code: ANMX308

Floor Standing Chilled Water Cooler

Product Code: ANMX308

Our Floor Standing Chilled Drinking Fountain offers an excellent hydration solution for high-traffic areas. Whether in busy offices, gyms, or public facilities, this unit provides a reliable source of chilled water directly from the mains supply, ensuring you'll never run out of fresh, filtered water. Built with durability in mind, it features robust coated steel construction, making it ideal for commercial spaces where reliability and long-term performance are key.

Key Features

Chrome Plated Bubbler Tap: Easy to use and highly durable for frequent use
Floor Standing Design: Freestanding unit for flexible placement in various environments
Mains Water Fed: Unlimited supply of chilled water, eliminating the need for bottled water
Made from 1.2mm Grade 304 Stainless Steel: Highly durable and resistant to corrosion
Chilled Water Output: 25 liters per hour, with water temperature ranging between 8 to 12°C
Sustainable and Eco-Friendly: No reliance on single-use plastic bottles, reducing waste.
