Cosmetal Wall Mounted Chilled Drinking & Bottle Filling Fountain

Product Code: AAF-RIVERUP-WM

Cosmetal Wall Mounted Chilled Drinking & Bottle Filling Fountain

Product Code: RIVERUP-WM

This compact wall-mounted Cosmetal chilled water fountain provides a practical hydration solution where floor space is limited. Featuring both a chrome drinking bubbler and a tall 23cm swan-neck bottle filler, it offers convenient access to chilled mains-fed water. The unit uses ice-bank cooling technology to deliver up to 30 litres of chilled water per hour, ensuring consistent performance throughout the day.

Manufactured from robust 304 grade stainless steel, the RIVERUP-WM is designed for long-term reliability and a clean, modern appearance. Suitable for indoor installations, it is ideal for locations requiring a hygienic and space-efficient water point.
