

Wall Mounted Accessible Drinking Fountain (Non Chilled)

Product Code: ACCDF

Wall-Mounted Accessible Drinking Fountain – Non-Chilled

Product Code: ACCDF

The ACCDF Wall-Mounted Accessible Drinking Fountain (Non-Chilled) is a commercial-grade hydration unit designed to meet modern accessibility standards. Constructed from premium grade 304 stainless steel, it delivers long-lasting performance in schools, offices, sports facilities and industrial premises.

This non-chilled fountain provides reliable mains-fed drinking water and features an antimicrobial activation button for hygienic operation. Its design allows installation at standard or junior height, making it an adaptable option for various environments.
