Inline 10 Inch Water Filter

Product Code: IN-WF

Inline Water Filter – 10 Inch Body

Product Code: IN-WF

The 10-Inch Inline Water Filter is a compact and efficient filtration solution designed to improve water quality at the point of use. Installed discreetly beneath drinking fountains, bottle fillers, or sinks, it connects directly into the water supply using 15mm push-fit fittings. This inline system provides dependable filtration without altering the appearance or operation of your equipment. NSF certified and WRAS approved specialist filter spheres, it delivers clean, great-tasting water from your existing mains supply.
