Fibreglass Drinking Fountain With Bottle Filler (Non-Chilled)

Product Code: GRP-DFBF

White Fibreglass Wall Mounted Drinking Fountain & Bottle Filler with WRAS Taps

Product Code: GRP-DFBF

This dual-purpose wall mounted drinking fountain and bottle filling unit provides a versatile hydration solution for high-use environments. Combining a traditional bubbler tap with a WRAS approved swan neck bottle filling spout, it allows users to either drink directly or refill bottles with ease.

Manufactured from durable white fibreglass, the unit is designed to withstand frequent use while maintaining a clean, modern appearance. Its smooth surfaces and integrated splashback support hygiene and easy maintenance, making it suitable for a wide range of commercial and public settings.

Dimensions and Specifications

Plastic 32mm bottle trap.
Chrome plated brass 32mm bottle trap.

Installation Note:

For best performance, we recommend fitting a Y strainer or inline filter to help protect the valve and maintain the correct flow rate. In cold conditions, the unit should be isolated and drained to avoid frost damage. Failure to fit suitable filtration may affect the product warranty.
